Team formation and coaching

- Intermediate League is a competitive but friendly league designed for players from all clubs to mix.
- Teams are generally formed based on a draft system with players from every club (not just Forest), however special requests may be made for friends to play together.
- Coaches are provided for each team.
- **There is no training.** If you would like to play Intermediate League only (i.e. no Saturday competition) but want to train with a Little League Major (U12) or Junior League (U14) team during the week this can be accommodated by the Club.

Parental involvement

- Our Club is run by volunteers and we appreciate all and any assistance. Parents are encouraged to get involved by helping to set up and pack down fields.
- The Summer Slam is all about parents having as much fun as their kids. It is designed to be a relaxed environment, free of performance pressure. Come along, relax in the sun, meet other parents in the Club and cheer on all the players. Be a part of our community. Be a part of Forest.
