### Team formation and coaching

- Intermediate League is a competitive but friendly league designed for players from all clubs to mix.
- Teams are generally formed based on a draft system with players from every club (not just Forest), however special requests may be made for friends to play together.
- Coaches are provided for each team.
- **There is no training. Whilst not recommended, if you would like to play Intermediate League only (i.e. no Saturday competition) but want to train with a Little League Major (U12) or Junior League (U14) team during the week this may be able to be accommodated by the Club.**

### Parental involvement

- Our Club is run by volunteers and we appreciate all and any assistance. Parents are encouraged to get involved by helping to set up and pack down fields.
